BRIDGE BUZZ August 2021

FROM THE PRESIDENT - FAY JEPPESEN

I write again during a longer Covid enforced lockdown and I hope you are keeping warm, well and occupied. We were fortunate to nearly get through July, though wearing masks, to play bridge. However, now it is the Olympics and walking for me, as I recover again from further hip surgery. I wish to thank members for their ongoing compliance with the health directives during play and we hope that it is not too long before we see each other again. As always, the club is governed by the Queensland Government CHO Directives on when/how bridge sessions can operate. With the frequency of change, it is not the intention of the Club to forward emails to members each time. Please check the club website on **Breaking News** for any updates and be guided by the CHO Directives.

During July we were fortunate to complete the Ton Vankan Anniversary Pairs Competition, with congratulations to Robert Barr and Errol Miller in 1^{st} place, Herold Rienstra and Ross Shardlow in 2^{nd} place, and Robyn Burnage and Jane Doyle in 3^{rd} place.

On 25 July we hosted the Inter-club competition with Caboolture Bridge Club

Congratulations to the winners, Redcliffe Club and to the individual over all winning pair, Greg Gosney and Margaret Plunkett. 2nd for Redcliffe were Dorothy Gehrke and Errol Miller, while best performing pair for Caboolture were Charlene Frederiksen and Hugh Gerhmann, with Noreen Weyling and Tony Davidson second. The day was well organised and keenly played in a convivial spirit with 14 pairs representing each club. Our thanks go to the Director, Jo Neary, Club Recorder, Sandra Routley, Tournament Organisers Steve Woodrow, and Noreen Weyling, Bridgemate and technical support Wayne Parker and Providore Magdeline Wong for their work in ensuring all aspects of the day went smoothly. Also, thanks to our members who helped in the kitchen, bar, and laundering of tablecloths, your contribution was appreciated.

Coming Events

There are several events to be held in August, with the first one our annual Redcliffe Congress on 15 August. In view of the lockdown uncertainty, and revised playing conditions that may impact on the number of tables that could be offered, the Committee has decided that our Congress will be cancelled. Further discussions will occur with QBA to see if this can be rescheduled to another date in 2021. Thank you to Wayne, the Congress Convenor for his work in the preparation for the congress and now "unpreparing" it, by notification to nominees and return of pre-payments.

The Brisbane Zone Regional GNOT competition to be held on 28/29 August and the Australia Wide Open Pairs event to be held at the club on Monday 30 August are also events that may be postponed. The club has paid the \$200 nomination fee for each of our GNOT team representatives, and the club will continue to subsidise the \$5 additional participation cost for players in the Australia-Wide pairs competition.

In memory of our dear friend – Jane Sanders

During the past few months, Jane has suffered some significant health issues, and it is with much sadness to report, that Jane passed away peacefully on 4 August. Maurice has advised that with the current Covid restrictions that there will be a simple celebration of Jane's life for the family. A card has been sent to Maurice and family on behalf of club members.

We wish our club member and board dealer, Jack Nyhouse, best wishes on his recovery after a recent bike/car accident and hope to see you back at bridge very soon.
